

OutCare News

The OutCare Golf Classic returns on August 17!

Spring is in the air, so start practicing your swing for the 11th edition of the **OutCare Golf Classic** presented by Grandmaitre Virgo Evans Lawyers / Avocats and Heritage Funeral Complex. **The early bird price of \$150 ends June 30, so register today!**

Registration includes a 12p.m. shotgun start, eighteen holes, a golf cart, and the BBQ Banquet following the tournament. Keep an eye out for the online silent auction opening in July!

If you can't join us, consider becoming a **Friend of the Classic** by making a donation. Your support helps send palliative care volunteers to Palliative Education Day. Just \$125 funds one bursary and gives a dedicated volunteer the opportunity to learn and connect.

Get your tickets for Paint Nite!

Join us for a fun evening with friends, drinks, and creativity at Paint Nite! You'll create a one-of-a-kind painting (no talent or previous experience)

required!) along with the memory of a unique night out in support of a great cause. [Get your tickets today!](#)

When: Wednesday, May 30 at 7p.m.

Where: [Local Heroes Bells Corners](#)

Directions: [Click here.](#)

A portion of proceeds go to OutCare. Thanks to board member Holly Ovington for organizing this great event!

How Your Support Helps Families

Beyond funding important medical and mobility equipment, donations to OutCare impact people in Eastern Ontario in many ways, like new appliances for the kitchen at Hein House. Thanks to your generous support, access to a kitchen to prepare meals makes the hospice experience more comfortable for both patients and their families.

One family member said, "Coming to hospice was scary for me and my family but that was Dad's wish. Once we were inside the doors of the Hospice we realized it was the right decision. Everything is so bright, welcoming and home-like. We could even prepare some of his favourite foods in the family kitchen!"

You can support OutCare by [making a gift](#), becoming a [monthly donor](#), or attending an [event](#).
